FOR THE COIN COLLECTOR!

CANADA'S MILLENNIUM COIN CARDS
Many coin collectors will want to collect Canada's two sets of Millennium quarters. The first Canadian quarter was released into circulation in February 1999 and a differently designed quarter will be released each month until 2001. We have designed two different cards to house these coins. The holders are available from dealers coast to coast or they may be ordered direct. Each 8" x 10" card is printed in full colour. Comes with a vinyl storage envelope.
